The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: E. J. Gibbs, republican postmaster at Jackson, Miss., under Harrison, ex-auditor of Mississippi under the republican regime, recently indicted for embezzlement as postmaster, of \$3,970.82, was fined the amount of his embezzlement by Judge Miles, in the federal court Wednesday and sentenced to three years in the Brooklyn, N. A Montgomery, Ala., special says: The feature of Wednesday's assembly proceedings was the presentation of the governor's message and the formal election of the officers named by Tuesday's democratic caucus. In both houses the populists had tickets for every office voted on. In the house the vote, in almost every case, stood about 63 for the democrats and 34 for the opposition nominees. In the senate the vote stood about 24 to 7 in favor of the democratic nominees.

TURNEY STILL HOPES

Though the Face of Returns Indicate His Defeat.

Notwithstanding the fact that the face of the returns is against him, Governor Turney, of Tennessee, is still confident and declares that he does not believe he is defeated. "I shall wait," he said, "until the official returns are canvassed and the vote investigated and wherever there is any unfairness charged, I believe the official returns will elect me."
